INTERIM

Certificate of Accreditation

Plumbing and Drainage Systems

Pursuant to Part C2 of the Tasmanian Plumbing Code 1994

This Interim Certificate of Accreditation is hereby issued by the Minister for Infrastructure, Energy and Resources under Part C2 of the Tasmanian Plumbing Code 1994.

To: **Michael Underhill**

Of: **Kelair Pumps Australia Pty Ltd**

A.C.N. 001 308 381

For: **Kelair-BlivetTM Package Sewerage Treatment Plant**

This is to certify that the **Kelair-BlivetTM Package Sewerage Treatment Plant models BL300; BL500; BL1000; BL1500; BL2000; BL3000; BL3500; and BL4000** have been given interim accreditation to enable the installation and testing of the system to facilitate assessment of its compliance with the relevant performance requirements of the Tasmanian Plumbing Code 1994. This accreditation is subject to the conditions of interim accreditation set out in the Tasmanian Plumbing Code 1994 Part C2 - System Accreditation Report No. BSR0396/2004

S J Hyam
General Manager Workplace Standards Tasmania

for and on behalf of

Brian Green
Minister for Infrastructure, Energy and Resources

Date of Issue: 6 April 2004

Certificate No: BSR0396/2004

Valid until: 2 years after the date of issue.
