

**APPLICATION FOR REGISTRATION
BACKFLOW PREVENTION PLUMBING**

Plumbers and Gasfitters Registration Act 1951

<p><u>Registration Certificate No.</u> (Office use only)</p>

Would you please extend my registration in respect of:

- * water plumbing
- * sanitary plumbing
- * mechanical service plumbing

****Please strike out which is not applicable***

to include backflow prevention plumbing (i.e. installation of backflow prevention devices provided with test taps).

I enclose copy of my qualification in backflow prevention plumbing (i.e. Registered Training Organisation) course in backflow prevention or equivalent standard course of another Australian State or Territory).
