

Tasmania

Certificate of Accreditation

Plumbing and Drainage Systems

Pursuant to Part C2 of the Tasmanian Plumbing Code 1994

This Certificate of Accreditation is hereby issued by the Minister for Infrastructure, Energy and Resources under Part C2 of the Tasmanian Plumbing Code 1994.

To: **Parks and Wildlife Service**

Of: **Department of Primary Industries, Water and Environment**

For: **Remote Area Public Use Non-Flushing Alternating Batch
Waterless Composting Toilet System**

This is to certify that the Remote Area Public Use Non-Flushing Alternating Batch Waterless Composting Toilet System Model MK1 has been accredited as an on-site disposal system for their use in plumbing installations within Tasmania. This accreditation is subject to the conditions of accreditation set out in Tasmanian Plumbing Code 1994, Part C2 - System Accreditation Report No. BSR0387/2001

Robert L Pearce
General Manager Workplace Standards Tasmania

for and on behalf of

Paul Lennon
Minister for Infrastructure, Energy and Resources

Date of Issue: 4 December 2001
