

Our Vision

A safe and healthy Tasmania

Our Mission

To improve standards of safety, health and fairness in workplaces, buildings and energy infrastructure in Tasmania

Strategic Priorities

1. Review, clarify and communicate the role of Workplace Standards Tasmania to staff and stakeholders
2. Improve consultation and communication with stakeholders
3. Effectively respond to new and emerging issues including adequate resourcing
4. Develop organisational capability to achieve best use of Workplace Standards Tasmania's resources

Key Performance Indicators

- Safety of workers** - reduced incidence of work related injury
- Accreditation and Approvals** - improved compliance
