Please Note

Only currently registered persons are eligible to carry out plumbing work without supervision. Persons registered at journeyman or advanced level can work without supervision and may supervise unregistered persons, but only persons registered at advanced level are eligible to submit municipal notices ("start work" notices) in respect of plumbing work. Only currently registered gasfitters are eligible to carry out gasfitting work without supervision. Persons no longer resident in Tasmania, or not working in the trade currently, do not need to maintain their registration, but must renew prior to re-commencing plumbing work in this State. Registration fees are tax deductible.

Date Signed

FEES applicable from 1 July 2009 (there is no GST component) and are not cumulative.

Where multiple registration occurs, the higher fee only is applicable, i.e. if registered sanitary plumbing and gasfitting the fee is \$53.20.
