REGISTERED PLANT INSPECTOR – DECLARATION

I,
(Print your full name)

of
(Residential Address)

do hereby solemnly and sincerely declare I have read and understood the general and specific requirements for a Registered Plant Inspector and that I am able and willing to perform the duties of a

.....
(Inspector class as defined in Section 4 Registered Plant Inspectors - Competency, Application, Assessment, Requirements)

as required under the **Workplace Health and Safety Regulations 1998**,

- 1. I suffer from no impediment, ailment or dependence on any drug that may hinder or obstruct in any way my capacity to inspect that class of plant for which I am seeking registration;
- 2. I have qualifications and experience meeting the requirements of the approved codes of practice relevant to that class of plant for which registration as an Inspector is sought;
- 3. I am capable of conducting an inspection program in accordance with the requirements of the approved codes of practice relevant to that class of plant for which registration as an Inspector is sought;
- 4. I am capable of making an assessment of the integrity and safety of registered plant in accordance with codes of practice relevant to that class of plant;
- 5. I am capable of recognising repair, modification and re-rated requirements in accordance with the requirements of codes of practice relevant to that class of plant;
- 6. I am capable of conducting or causing investigation of the deterioration of registered plant in accordance with the requirements of codes of practice relevant to that class of plant;
- 7. I am capable of reporting the results of inspections in a comprehensible manner;
- 8. I have an understanding of the statutory requirements for the documentation of all inspections conducted and subsequent record keeping;
- 9. I am capable of interpreting, analysing and implementing safety requirements and procedures before, during and after inspection of registered plant;
- 10. I am capable of determining and implementing the required methods of inspection for that class of plant for which registration as an Inspector is sought;

all which matters I conscientiously believe to be true.
